SYCAMORE™ WOOD

HIGH LEVEL COMFORT & CARE

Sycamore Wood fully represents the highest level of patient and visitor care and comfort. Functional design includes clean-out between seat and back, with ergonomic features to support extended periods of waiting. Sycamore Wood's small footprint and efficiency in lounge, guest, tandem and multiple configurations make it an easy solution for common and waiting spaces. The patient chair is well suited for areas ranging from exam rooms to inpatient rooms. It features a tall, contoured back for enhanced patient comfort.
